

Coaching in Social Context: Adding Value to Sport, Individuals and Community

Thorolfur Thorlindsson

Coach Wooden

Never mistake activity for achievement.

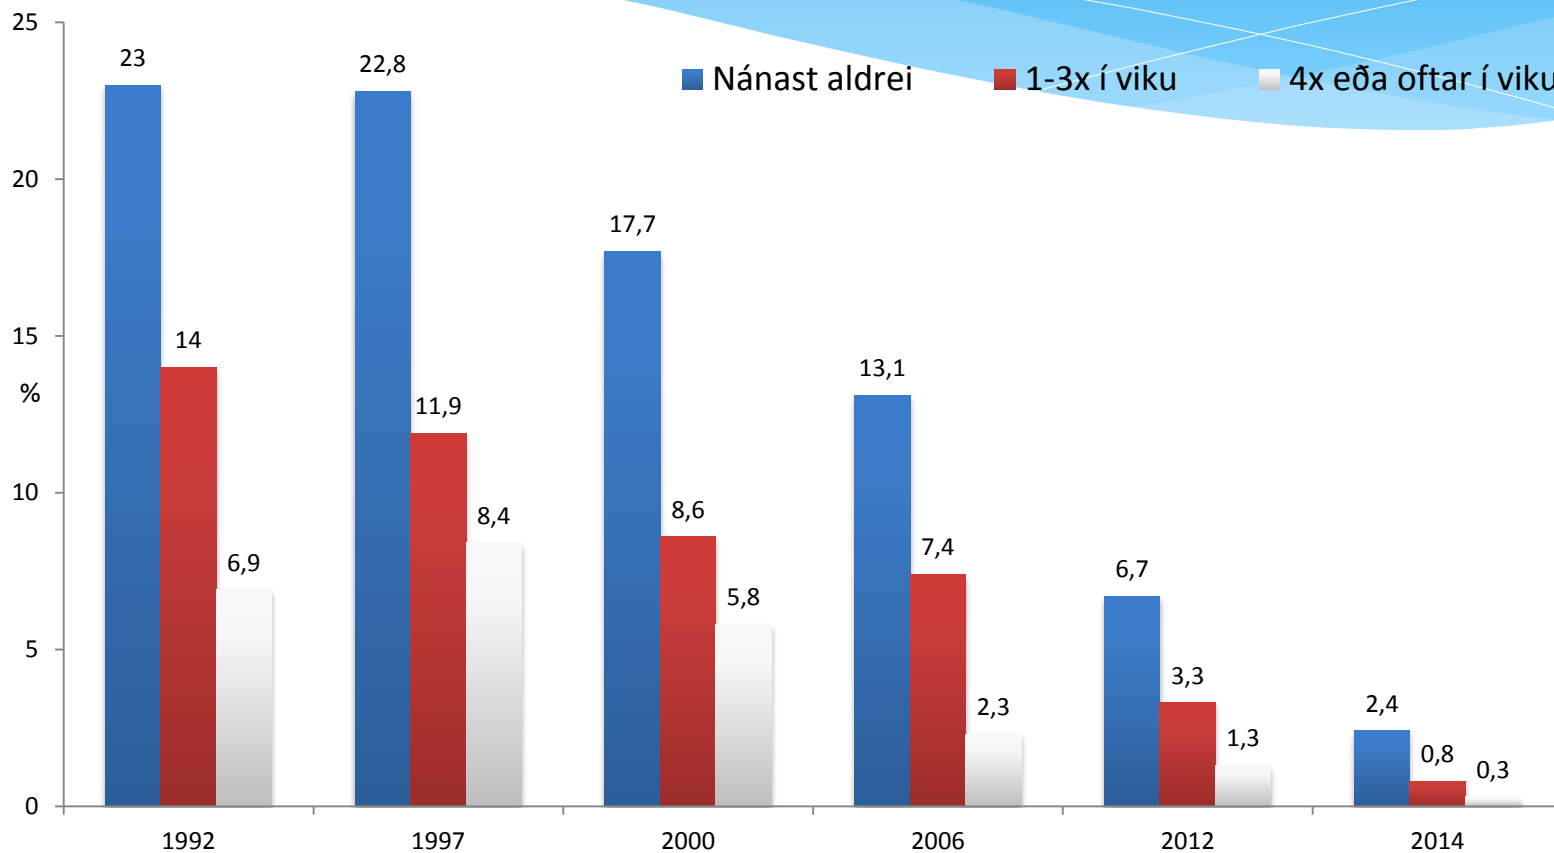

Don't let what you cannot do interfere with what you can do.

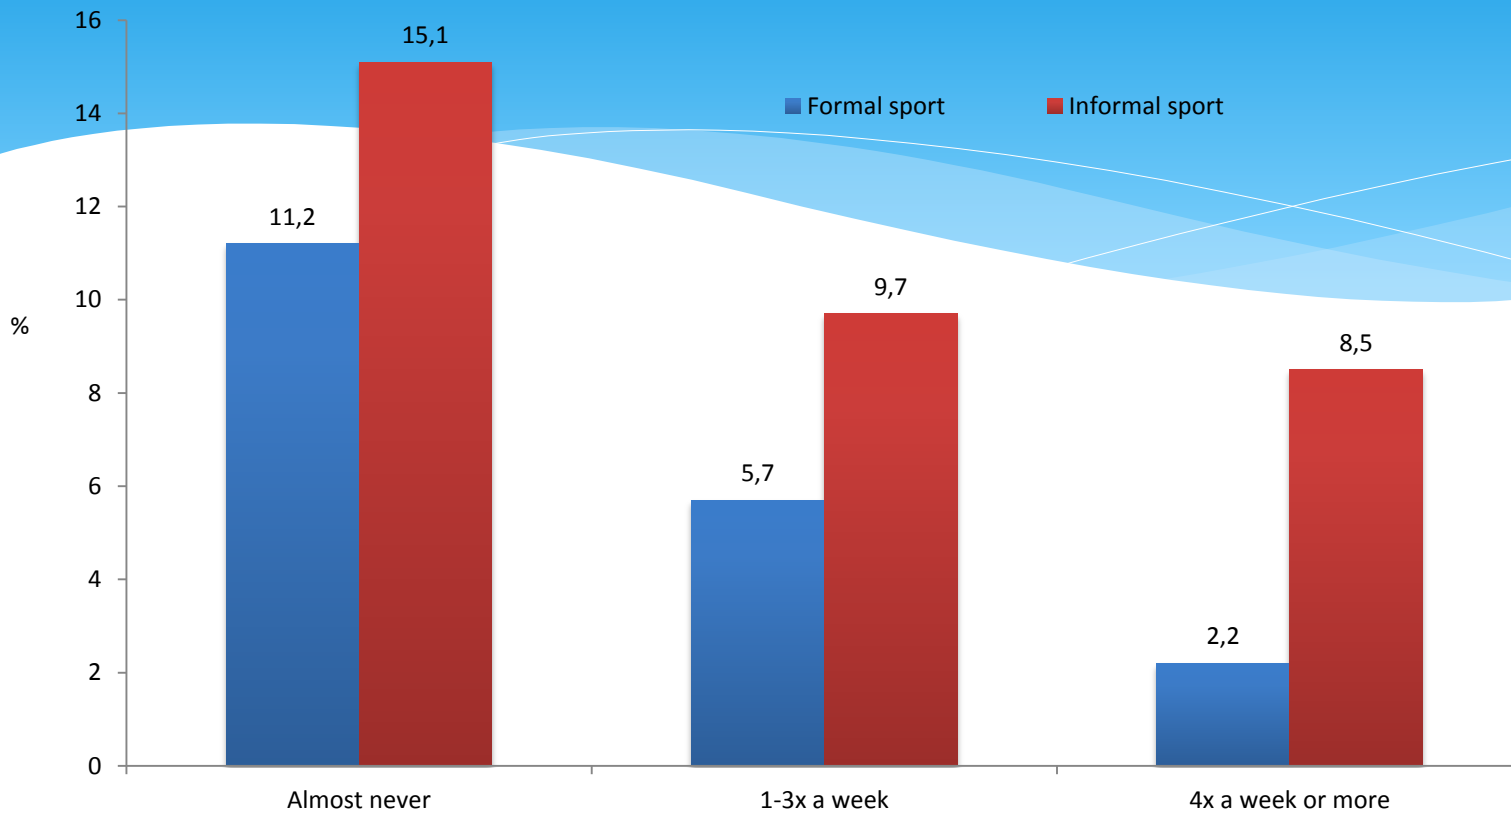

If you don't have time to do it right, when will you have time to do it over?

It's the little details that are vital. Little things make big things happen.

Success is never final; failure is never fatal.

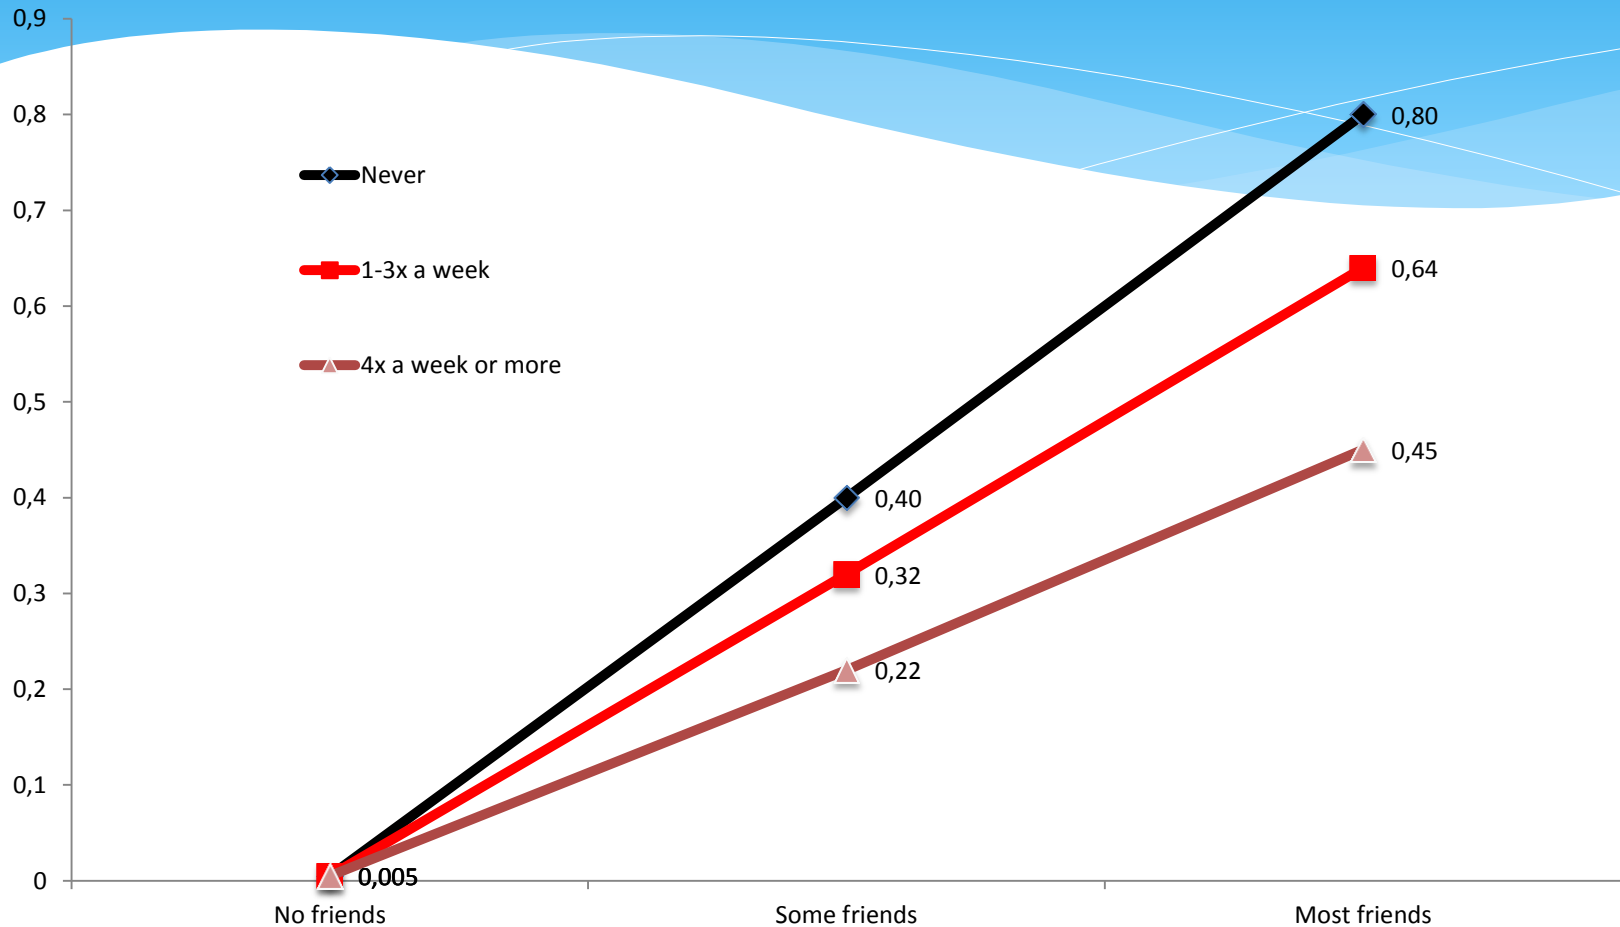

Daily smoking among youth across levels of sport participation

Daily smoking and sport participation

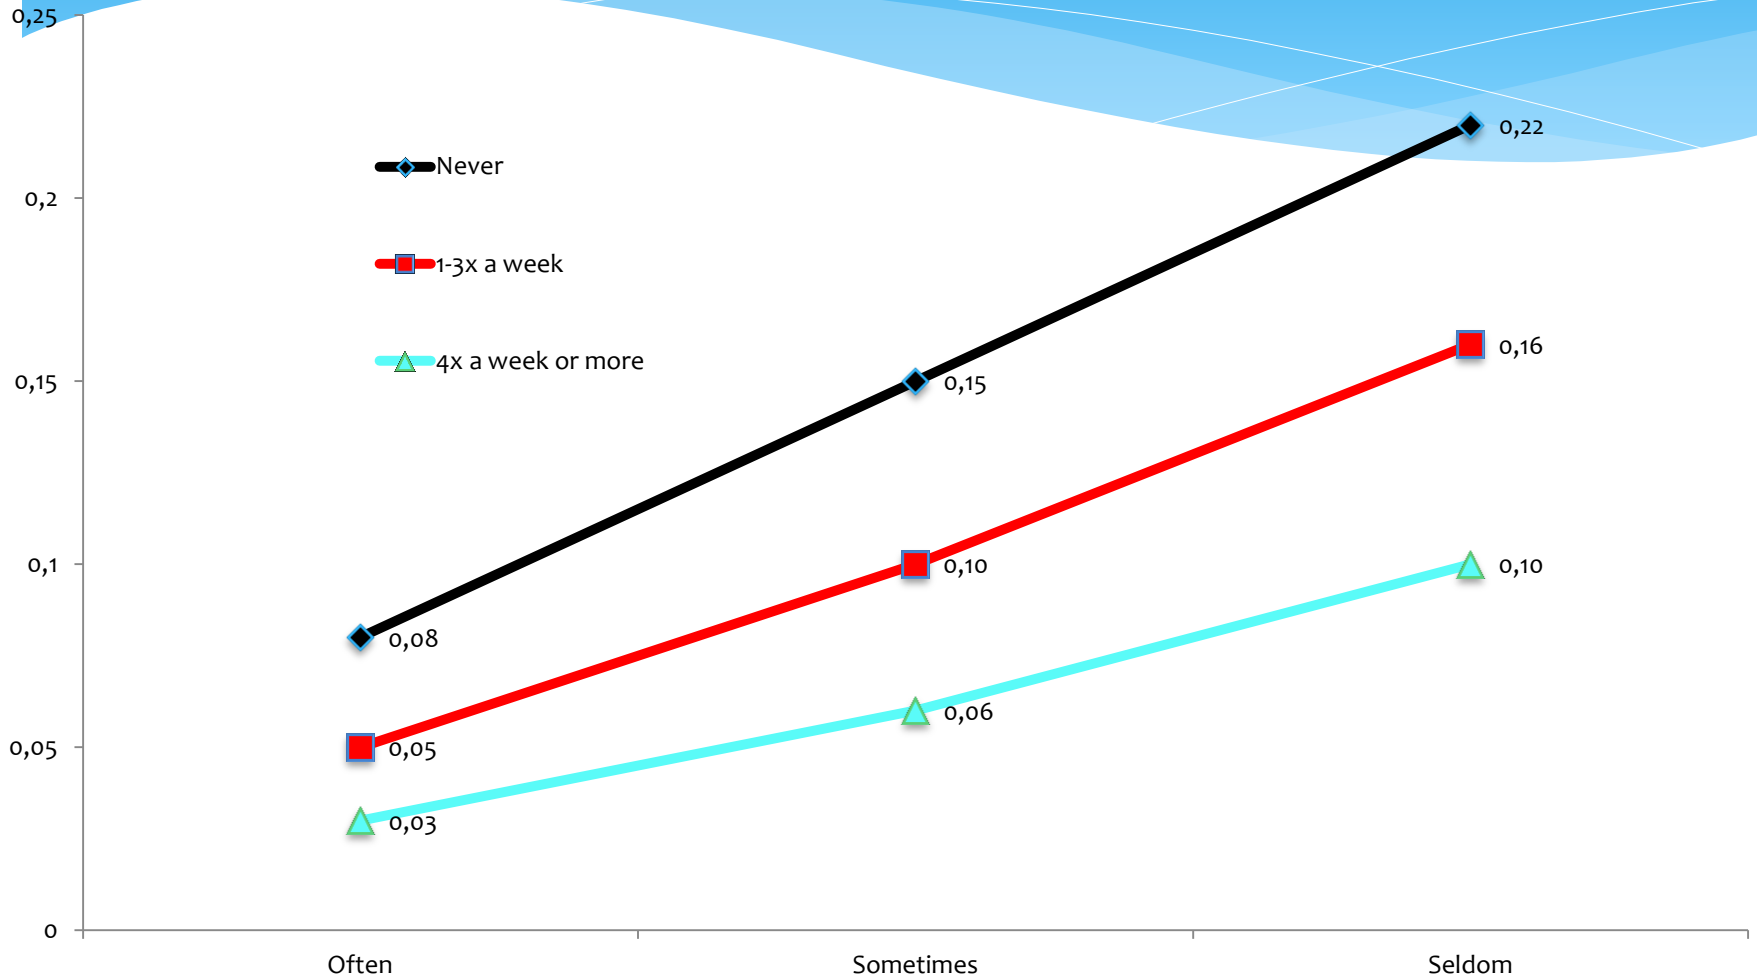

Adolescents drinking across levels of sport participation

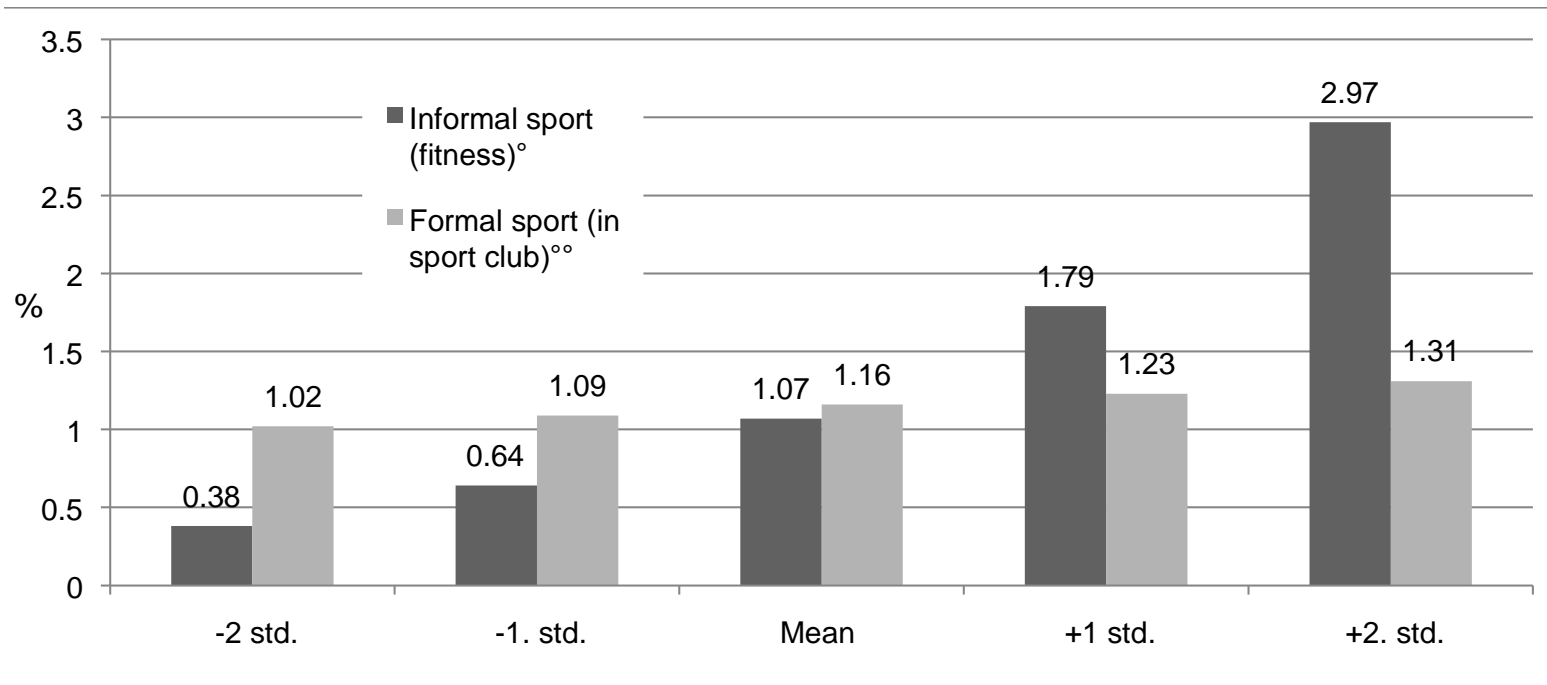

Percentage of students that have been drunk by sport participation in formal and informal sport

Students that have been drunk by interaction of formal sport participation and time with parents

Predicted probabilities of AAS use by informal and formal sport participation, in percentages, adjusted for gender and age

Predicted probabilities of AAS use by alcohol, tobacco and illicit drug use, in percentages, adjusted for gender and age.

Sport as social capital

The Social Organization of Sport

Sport is like no other social activity

**Sport is like some other social
activity**

Sport is like all other social activity
